## Current Projects

Project:

Scientists Syndicate Building in Nasr City

Owner:

Syndicate of Scientific Professions

Consultant:

Ibn El Haytham for Engineering Consultancy

Project Duration:

18 months

Extended Period:

6 months (as per a degree from Council of Ministers)

Project Value:

EGP 14,000,000

Contract Date:

Jan 2017

Project Description:

administration building consists basement & Ground floor and five repeated floors Foot Print 800 Sqm total built up area = 4800 Sqm

Project Articles:

Semi Finished Building including special finishing such as (structure glazing, stair and entrance of imported marble, elevators, fire system, main electrical network for the building).

Project Status:

License under process

## Project:

Finishing of the Club for members of the Research and Training Authority

## Owner:

National Research Center

## Consultant:

Engineering Department at National Research Center

## Project Duration:

10 months

## Extended Period:

12 months (as per a degree from Council of Ministers)

## Project Value:

EGP 9,100,000

## Contract Date:

Sep 2016

## Project Description:

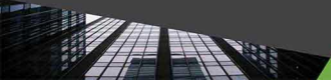

administration building consists of Ground floor and five repeated floors Foot Print 600 Sqm total built up area = 3600 Sqm

## Project Articles:

Turn key project starting From block works till the final finishing of the project. Including special finishing works such as , but not limited to False ceiling, Package elevators, Concealed air conditioning, Fire system, LED lighting, Electrical panel, Sound system, Porcelain and granite flooring, Curtain wall, Doors and separators Tempered Glass, Aluminum windows

## Project Status:

Running Project

**Project:**

Gymnasiums Building - Custom Club

**Owner:**

Customs Club – New Cairo

**Consultant:**

Namaa for Engineering Consultancy

**Project Duration:**

10 months

**Extended Period:**

6 months (as per a degree from Council of Ministers)

**Project Value:**

EGP 5,160,000

**Contract Date:**

Jan 2017

**Project Description:**

Turn key Project Consists of Basement &amp; Ground Floor and first floor foot Print 330 Sqm Total Built Up Area 1000 Sqm

**Project Articles:**

From drilling to full finishing the project including special finishing:

Vinyl flooring

False ceiling

Electrical panel

Dray mix façade

Doors painted ester

Split air conditioning

Curtain wall

Marble façade

Paintings

Fire system

Doors and separators  
tempered glass

Printed concrete

HDF flooring

LED lighting

Porcelain and granite flooring

**Project Status:**

Running Project

## Project:

Renovation of Chemical Labs - NRCA

## Owner:

Nuclear and Radiological Control Authority

## Consultant:

Engineering Department

## Project Duration:

3 months

## Extended Period:

No extensions

## Project Value:

EGP 369,000

## Contract Date:

August 2017

## Project Description:

Renovation of Chemistry Lab – Scientific building - Nuclear and Radiological Control Authority

## Project Articles:

Building renovation including specialized works:

Epoxy painting for wall

Electrical work

Self leveling epoxy for flooring

Plumbing work

Laboratory sinks

## Project Status:

Preliminary delivery

# Delivered Projects

Projects	Category	Project Value	Project Duration	Contract Type	Owner	Consultant
3 residential buildings concrete structure	Residential	EGP 4,000,000	6 months	Subcontract or for Alamal Company	M.O.I Land projects authority	Scientific Center for Design
